

Results from the April desktop rally No 2

Below are the results from the replies I received on our second desktop rally. I applied points similar to what I would do for the Riverina Run. I regarded each reference point as a Passage control with penalties as follows-

Missing a reference point	35 points
WD into a reference point	25 points
WD out of a reference point	25 points
WD into and out of a reference point	35 points max
Visiting a reference point more than the correct number of times	25 points
Reference points out of order	20 points.

Results are-

Jamie Lennox	60
Geoff Watson	60
Dave Johnson	75
Lui MacLennan	165
Pam Watson	180
Wendy and Gary Maher	180
Alan Watson	285
Bob Morey	300
