Desktop Rally No. 6 September 09

Author: Ernst & Sonja Luthi

Checker: Jeff West

We have not set a rally ever, so this was a bit of a challenge. However, we hope that you enjoy it anyway. We certainly learned a lot.

Official maps

**Sydney Special 1:250,000 Edition 3 and
NRMA. Sydney Surrounds. It is marked as "MAP 4".**

It is further identified on the reverse "P2504 06/07".

As there are several maps shown thereon, the above shall be forthwith identified as the '**NRMA map document**' and the individual maps shown thereon shall be the '**map/s**'.

Interpretation of Instructions

A via point may be visited again without being specified again, but only after visiting it as specified in the route instructions.

Do not oppose rally traffic in this event unless specifically instructed to do so.

Where required not to use part of the course previously used or to avoid a thoroughfare or part thereof then crossing the course or thoroughfare shall not be considered to be in breach of the requirement.

Thoroughfares on a map which have a gap in the line to permit the insertion of a name or symbol are deemed to be continuous through the insertion. Thoroughfares specified as out of bounds may be crossed.

Underpasses are underpasses and overpasses are overpasses and there is no connection to the other road.

Instructions between successive VIA points may be in any order and may be concurrent.

Grid lines are deemed to be North

Abbreviations:

RWY = Runway

TJ = T junction
