Interpretation of Instructions

A via point may be visited again without being specified again, but only after visiting it as specified in the route instructions.

Do not oppose rally traffic in this event unless specifically instructed to do so. Where required not to use part of the course previously used or to avoid a thoroughfare or part thereof then crossing the course or thoroughfare shall not be considered to be in breach of the requirement.

Thoroughfares on a map which have a gap in the line to permit the insertion of a name or symbol are deemed to be continuous through the insertion.

Dual Carriageways and Motorways may be crossed but are otherwise OOB.

Proceed using the shortest map route point to point unless otherwise stated.

Do not pass through any National Route Markers

A point may be defined on the map by the underlining of a letter in the instructions of a name displayed on the map. The center of the letter underlined shall be the point referred to.

The following abbreviations may be used

DM	Distance Marker	E	East
GR	Grid Reference	GS	Grid Square
Km	Kilometre	MI	Mile
Lat.	Latitude	Long	Longitude
N	North	OOB	Out of Bounds
RD	Road	RS	Railway Station
RJ	Road Junction	S	South
RW	Railway	W	West
XR	Cross road
