

# CRC Desktop Rally July 2010

Author: Glenn Evans

Checker: Alan & Pam Watson

## Route Instructions

**Maps:** Sydney Special 1:250,000 Edition 3

NRMA Map 4 Sydney Surrounds PS2504 06/07 – Central Coast map

## Notes

1. Follow the shortest mapped route between via points while complying with all other instructions.
2. Do not oppose rally traffic.
3. The larger scale map takes precedence.
4. Assume numbered grid lines run north-south.
5. All roads and vehicle tracks may be used, unless directed otherwise.
6. Roads which cross via a mapped bridge or tunnel are deemed not to intersect.
7. Any mapped road broken by text or a map symbol is deemed to be continuous.
8. Instructions between successive Via points may be in any order and may be concurrent
9. If a point is not defined precisely, it will be described with reference to an underlined and bolded letter of a word on the map eg **Woy** Woy

M1 The locality of Cowan GR 33022818

Pass through a locality

Do not pass through any National Route marker

Via Use a 2 km mapped section of the Central Coast Highway in GS F2
