In addition to the above, both Forster and Tuncurry have numerous other motels and caravan parks which are short driving distances from the suggested dinner venue in Forster. Both towns also have numerous holiday apartments and holiday homes however these are usually not available for just a single night's accommodation and would therefore only suit anyone booking an extended stay.

Friday 28 February accommodation in Wyong

Some of the event officials are booked to stay at the Grand Hotel and Studios, which has Genaro's restaurant on site, and is our likely dinner venue. The Royal Wyong and the Central Coast Motel are other basic options, while the Mercure Kooindah Waters Central Coast is also only 2.5 km from the start venue, if you would prefer a luxury option.
